In order to produce these statistics, more than 500 key players in the UK private equity and venture capital markets were surveyed.

1 Over the next six months do you expect activity levels in the lower mid-market buyout segment (less than €150m) to increase, decrease or stay the same?

2 Over the next six months do you expect activity levels in the upper mid-market and larger buyout segment (>€150m) to increase, decrease or stay the same?

3 Have entry prices fallen sufficiently to reflect the current outlook for UK businesses?

4 Are the current portfolio company restructurings in the market going to materially improve the long term survival prospects of these businesses?

5 "Over the next 12 months there is going to be a substantial rise in secondaries dealflow." Do you broadly agree or disagree with this statement?

6 Which sector offers the most attractive investment opportunities over the next 12 months?
